

Swedish Days Parade US Flag March

Last year many of our Scouts made a big hit at the Swedish Days parade by carrying a 30 by 50 foot US Flag through the 1.5 mile parade route. The Geneva Chamber of Commerce is once again asking for our help. Last time we needed several firefighters and other volunteers to successfully carry the flag, but hopefully this time we will have 60 to 80 uniformed Scouts and Leaders to unfold, carry and fold this massive flag. Please help spread the word to your units. If you can help please let me know:

Where: Geneva High School Parking Lot (Corner of Center Street and McKinley Avenue)

When: June 26th, 2011 at 12:00pm

What: We will be unfolding, carrying and refolding a 30 foot by 50 foot US Flag through a 1.5 mile parade route. The parade will begin promptly at 1:00pm but we need everyone to gather an hour earlier for preparation and rehearsal. We should be completely finished by 2:00pm.

Who: Contact Brian Mann at 630-639-2075 (mobile) or brmann529@yahoo.com if you can help.
